[THE CHALLENGE - A LETTER TO MANKIND – FROM BELIEF TO ENLIGHTENMENT](#)

PROLOGUE

By Ali Sina

“Islam is a religion of peace”. This is what our politically correct politicians keep telling us. But what is politically correct is not necessarily correct. The truth is that Islam is not a religion of peace. It is a religion of hate, of terror and of war. A thorough study of the [Quran](#) and Hadith reveal an Islam that is not being presented honestly by the Muslim propagandists and is not known to the majority of the people of the world including Muslim themselves. Islam, as it is taught in the Quran (Koran) and lived by Muhammad, as is reported in the Hadith (Biography and sayings of the Prophet) is a religion of [Injustice](#), [Intolerance](#), [Cruelty](#), [Absurdities](#), [discrimination](#), [Contradictions](#), and blind faith. Islam advocates [killing the non-Muslims](#) and abuses the human rights of [minorities](#) and [women](#). Islam expanded mostly by [Jihad](#) (holy war) and forced its way by [killing the non-believers](#). [In Islam](#) apostasy is the biggest crime punishable by death. Muhammad was a terrorist himself therefore terrorism cannot be separated from the true Islam. Islam means submission and it demands from its followers to submit their wills and thoughts to Muhammad and his imaginary Allah. Allah is a deity that despises reason, democracy, [freedom of thought](#) and freedom of expression.

I reject Islam a) because of Muhammad's lack of moral and ethical fortitude and b) because of the absurdities in the Quran.

a) Muhammad lived a less than holy life. His [lust for sex](#), his affairs with [his maids](#) and [slave girls](#), his pedophilic relationship at age 54 with [Aisha](#), a 9-year-old child, his killing sprees, his massacre and the [genocide of the Jews](#), his slave making and trading, his [assassination](#) of his opponents, his raids and lootings of the merchant caravans and unarmed villagers, his [burning of trees](#), his destroying the water wells, his cursing and invoking evil on his enemies, his revenge on his captured prisoners of war, his torturing of his captives to for greed and his [hallucinations](#) such as believing of having sex with his wives when he actually did not, disqualify him as a sane person let alone a messenger of God.

b) An unbiased study of the Quran shows that far from being a “miracle”, that book is a hoax. The Quran is replete with scientific heresies, historic blunders, mathematical mistakes, logical absurdities, grammatical errors and ethical fallacies. Could possibly the author of this Universe be as ignorant as it appears to be in the Quran?

Quran tells Muslims to kill the disbelievers wherever they find them ([2:191](#)), murder them and treat them harshly ([9:123](#)), slay them ([9:5](#)), fight with them ([8:65](#)), strive against them with great endeavor ([25:52](#)), be stern with them because they belong to hell ([66:9](#)) and strike off their heads; then after making a “wide slaughter among them, carefully tie up the remaining captives” for ransom ([47:4](#)).

This is how the pagans are to be treated. As for the Christians and the Jews, the order is to subdue them and impose on them a penalty tax, after humiliating them ([9:29](#)) and if they resist, kill them.

The Quran is alien to freedom of belief and recognizes no other religion but Islam ([3:85](#)). It condemns those who do not believe to hellfire ([5:10](#)), calls them najis (filthy, untouchable, impure) ([9:28](#)), orders

the Muslims to fight them until no other religion except Islam is left (2:193), slay or crucify or cut the hands and the feet of the unbelievers and to expel them from the land with disgrace.

It stresses that the disbelievers shall have a great punishment in the world hereafter (5:33) and figuratively depicts a horrendous chastisement for them stating that they will go to hell to drink boiling water (14:16), that they will be engulfed in smoke and flames like the wall and the roof of a tent and if they implore relief they will be granted water like melting brass that will scald their faces, (18:29) and that "garments of fire shall be cut and there shall be poured over their heads boiling water whereby whatever is in their bowels and skin shall be dissolved and they will be punished with hooked iron rods" (22:19).

It also prohibits Muslims to associate with their own brothers and fathers if they are non-believers (9:23), (3:28). <http://schnellmann.org/taqiyyah.html>

As for the women the book of Allah is emphatic that they are inferior to men and if they disobey their husbands the latter have the right to beat them (4:34). Their punishment for disobeying their husbands does not end there, because after they die they will go to hell (66:10). The Quran emphasizes the superiority of men by confirming that men have an advantage over the women (2:228). It not only denies women's equal right to their inheritance (4:11-12), it also regards them as imbeciles and decrees that their testimony is not admissible in the court of law unless it is accompanied with the testimony of a man (2:282). This means that a woman who is raped cannot accuse her rapist unless she can produce a male witness. Muhammad allowed the Muslim men to marry up to four wives (although he himself had a score of them) and gave them license to enjoy their "right-hand possessions" (women captured in wars), as many as they can capture or afford to buy (4:3), even if the woman is married before being captured (4:24).

The man who called himself the holy Prophet and a "mercy of God for all beings" did just that. [Jawairiyah](#), Rayhanah and [Safiyah](#) were beautiful young girls who were captured when he raided the tribes of Banu al-Mustaliq, [Qurayza](#) and [Nadir](#). The prophet slew their husbands, fathers and their male relatives and let his men rape them while he kept the prettiest for himself and raped her in the same day while they were still in the shock of the loss of their loved ones.

This book scrutinizes Islam with Rational Thinking. It rejects time-honored beliefs that cannot stand the probing of reason. It asks questions and encourages independent thinking. It promotes unity of humankind, equality between men and women, abolition of prejudices and freedom from dogmatism and blind faith.

In a world that has become technologically so advanced that even some poor nations that cannot feed themselves boast having nuclear and biological weapons, small misunderstandings can have catastrophic results. Religion has always been a major source of misunderstandings among mankind. For religion, many people are ready to die, kill and destroy everything. Islam encourages that aggressive spirit explicitly. Only a Muslim can believe that he would go to paradise if he kills other human beings. Only a Muslim has no regard for lives that he destroys because their faith is not right.

In the last few decades, and thanks to the newfound wealth of the oil rich Islamic countries and massive immigration to the West, Islamic fundamentalism has been on the rise and the dormant spirit of Jihadism has been rekindled once again. This fervor has been translated into terrorism, revolutions, and upheavals, and world peace has been put in jeopardy. Millions of lives are now in danger.

Quran tells Muslims to slay the unbelievers wherever they find them (2:191), do not befriend them (3:28), fight them and show them harshness (9:123), and smite their heads (47:4).

Let us pause for a moment and take a second look at Islam. Can these really be the words of God? Was Muhammad really a messenger of God or was he a crazy man, like Hitler, who used the religious sentiment of the gullible to conquer, to dominate and to have an endless supply for his narcissistic cravings?

Islam is a cult created by a psychopath. It cannot be reformed. It must be eradicated. Islam must be

eradicated not because the Quran says Earth is flat or the shooting stars are missiles that Allah fires at the [Jinns](#) who climb the heaven to eavesdrop on the conversation of the exalted assembly. These stupid tales could even amuse us. Islam must go because it teaches hate, it orders killing of non-Muslims, it denigrates women and it violates the human rights. Islam must go not because it is false but because it is destructive, because it is dangerous; a threat to peace and security of humankind. With the proliferation of weapons of mass destruction in Islamic countries, Islam has become a serious and a real threat to the survival of our civilization.

In order for you to appreciate the evilness of Islam, let us choose a few verses of the Quran and switch the words "Muslim" and "non-Muslims" and see how they look:

We will cast terror into the hearts of Muslims. Therefore strike off their heads and strike off every fingertip of them. [8:12](#)
Let not the non-Muslims take for friends or helpers the Muslims. [3:28](#),
Rouse the non-Muslims to the fight against Muslims. [8:65](#),
Then fight and slay the Muslims wherever ye find them, [9:5](#),
Fight the Muslims, and God will punish them by your hands, cover them with shame. [9:14](#),
O ye the non-Muslims take not for protectors your fathers and your brothers if they love Islam. [9:23](#),
O ye the non-Muslims! Truly the Muslims are unclean. [9:28](#),
O ye non-Muslims! fight the Muslims who gird you about, and let them find firmness in you. [9:123](#),
Therefore, when ye meet the Muslims, smite at their necks; At length. [47:4](#),

Can these satanic verses be from God? We don't have to face another world war. We can stop this madness by eradicating Islam. We can love each other like members of one family and celebrate our diversity. We can build a better world for our children. We can sing the songs of unity together. We can make this world a paradise but we have to remove the false doctrines that divide mankind into "us" versus "them" and believers versus disbelievers first. You and I are humans. We are part of the Humanity. We are members of one family: the family of Humankind. God created us all because he loved us all. Do not destroy what God has made. Muhammad was insane. Like Hitler he was a brilliant and manipulative psychopath.

Please read the Quran and the original history of Muhammad. Not the history written by today's unscrupulous apologists of Islam but the history written by the early historians. Read the book of Al Waqidi, [Ibn Ishaq](#) and Al Tabari's. Read the [Hadith](#) and see for yourself that what I say is the truth. We are a billion or more people, following an insane man. This is a colossal tragedy. No wonder Islamic world is sunk in utter misery, abundant poverty and abject ignorance. Our forefathers were forced to convert to Islam and our fathers did not have the chance to question it. But now we have that chance. Isn't it time that we look into our faith to at least know what is it that we believe in? This site reveals the bitter truth about Islam. It proves that it is not a religion of God.

If you disagree with me, prove me wrong and I **promise** to remove this site. I challenge the apologists of Islam to prove me wrong or stop misleading the world with half truths and misinformation. But if no one can disprove me, as [many Muslims have tried and failed](#), then I invite you to learn about the dark side of the Quran and the Hadith by reading the [articles](#) written by numerous authors (mostly ex-Muslims) and transcripts of [debates](#) that I have had with Muslim apologists who have tried to explain away the absurdities of Islam. I invite you to read the facts that I have quoted from the Quran and the Hadith that lead me to my conclusions. Above all, I invite you to put yourself in the position of the victims of Islam to appreciate the evilness of this so called religion. I want you to ask yourself whether you would like to be treated by non-Muslims as Islam and Muslims have treated and continue to treat the non-Muslims wherever they are the majority. Finally, I invite you to reject Islam and join us, the apostates, to save the world from "Islamic doom." Let us save the world from its certain destruction. We don't have to face another world war. We can stop this madness now. We can love each other like members of one family and celebrate our diversity like flowers of one garden. We can build a better world for our children. We can sing the songs of joy together. We can make a difference. Let not a psychopath liar fool you. Do not become an instrument of hate. Muhammad lied. This site is the proof.
